

Montréal Communiqué

March 30th, 1971.

Students who are prepared to work without pay for one week on a road gang are being offered an opportunity to take part in a Canada-Guyana exchange program July 15 - August 12.

Out-of-pocket cost per participant will be between \$200 and \$350, depending on whether looked-for support is received from the Federal Secretary of State.

The project, sponsored by the Montreal YMCA, is designed to promote two-way understanding and appreciation of the cultural, social, economic, political and geographical differences between Guyana and Canada.

The exchange starts July 15th, when a group of young adults from Guyana is scheduled to arrive in Montreal for a two-week stay with their Canadian counterparts. Together, they will travel to Guyana July 29th.

The program in Guyana includes visits to key areas and a seven-day labor stint on the 800-mile Lethem Road being constructed to link up with the Pan Am Highway in Brazil.

Deadline for applications is April 30th. For complete information, please contact Wilf Allan of the Montreal YMCA at 849-5331.
